

Abnormal loads Georgia

Vehicles transporting heavy or bulky goods are admitted on the territory of Georgia with a special permit.

Applications for permits should be sent 30 days before the start of the transport operation to the Department of Road Transport and should contain the following information:

- route;
- type and registration number of the vehicle;
- date and time of crossing the Georgian border;
- number and respective position of the axles and the wheels;
- load per axle;
- total weight (vehicle + goods);
- weight and distribution of the goods;
- dimensions of the loaded vehicle;
- maximum load per axle;
- customer's name, address and bank account number.

The fee for the issue of the special permit depends on the necessity or not of an escort, the dimensions of the vehicle, the type of goods transported and the distance to be covered by the transport operation.

The penalty for exceeding the maximum permitted weight is GEL 1000 per tonne.
